### JOY OF THE FAMILY

Amoris Laetitia

"Labor...makes possible the development of society and provides for sustenance, stability, and fruitfulness of one's family" n. 24

At the beginning of Psalm 128, the father appears as a laborer who by the work of his hands sustains the physical well-being and tranquility of his family...It is clear from the very first pages of the Bible that work is an essential part of human dignity...The Book of Proverbs Also presents the labor of mothers within the family, their daily work is described in detail as winning the praise of their husbands.

### Contemplate & Share

What is one task or aspect of work that you dislike doing? How does this task benefit your family? Consider how you might approach this work as a sacrifice to God for the well-being of your family.

### Joy In Action
